INSTITUTE FOR IMPLANTS AND CLINICAL DENTISTRY

BASICS OF ENDODONTICS & ROTARY FOR BEGINNERS

Intensive Training Programme

23rd and 24th
March 2014

SP GRAND DAYS

Thampanoor, Trivandrum

About iiCD

Warm regards from IICD, a full time institute to teach Clinical Dentistry and Implant Surgery, having many centres through out India. We are happy to announce a series of educational programmes in Thiruvananthapuram in Dental Implantology, Lasers, Aesthetics, Rotary Endodontics, Fixed Orthodontics, Prosthodontics, Exodontia and most of the branches of Dentistry.

Continuing Dental Education @ IICD will be a totally different experience, with minimum cost, maximum teaching and continuous support from faculty.

We welcome you to this training programme.

Dr. Segin Chandran K.R,
Director, IICD Kerala Chapter.

About the faculty

Dr. V.S. Mohan

graduated and completed post graduation from GDC Mumbai and is in Private Practice from 1979. He has conducted various lectures and hands on programmes on cosmetic dentistry, implants, endodontics, lasers and microscope. He is the IDA president Mumbai branch and Hon. Secretary of ISOI. He was the founder member of IAACD and also has been the president of IAACD.

Dr. Anoop Samuel

completed his BDS and MDS from The Tamil Nadu Dr. MGR Medical University. He is currently working as a faculty in the Department of Conservative Dentistry and Endodontics at Rajas Dental College. He has conducted several CDE programs and hands-on workshops in Rotary endodontics.

Dr. Nasil Sakkir

completed his BDS from University of Kerala and MDS from Rajiv Gandhi University of Health Sciences. He is an accredited member of International Association of Student Clinicians – American Dental Association. He has several presentations and publications in national and international journals. He is currently associated with Kamala Dental Specialty Hospital and KIMS hospital, Trivandrum
